Dear Mr Reiter

As we near the end of another busy year, we write to wish you and your community a safe and festive Christmas.

Along with our parliamentary colleagues, we have been honoured to participate in many of your special occasions and cultural events over the past 12 months. Your generosity of spirit demonstrates why multiculturalism has been one of South Australia's most enduring and unifying strengths for generations.

At this special time of the year, our thoughts are also with your loved ones here, but also those who reside interstate or overseas. We recognise during these significant festivities it may be hard not being physically present with loved ones.

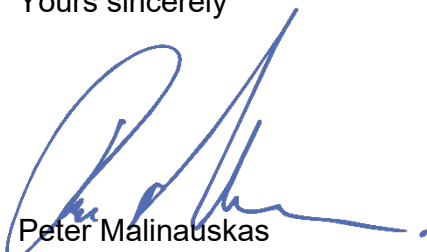

Thank you for the many contributions you continue to make to all aspects of life in our state, to ensure South Australia remains a vibrant, inclusive place where everyone belongs.

Wishing you, your loved ones and the community a safe and restful Christmas, as well as good health and prosperity in 2025!
